

2240.01 Ambient Air Pollution

Issued January 1, 1994

SUBJECT: Ambient Air Pollution.

APPLICATION: Executive Branch Departments and Sub-units which are sources of ambient air pollution.

PURPOSE: To regulate sources of ambient air pollutants to minimize adverse impact on human health, the environment, and society.

CONTACT AGENCY: Department of Natural Resources (DNR), Air Quality Division.

TELEPHONE: 517/373-7023

FAX: 517/373-1265

SUMMARY: Affected agencies are responsible for regulation of their ambient air pollution sources. In general, sources that have emissions may be subject to regulation. These regulations will vary based on the type of pollutant emitted. Copies of the current act and administrative rules are available by contacting the Air Quality Division.

APPLICABLE FORMS: Contact Air Quality Division.

PROCEDURES: See Public Act 348 of 1965, as amended, and related administrative rules.
